Dear Business Owner or Resident:

This past winter the City of Fairview Heights created the "Keep Fairview Heights Beautiful" program led by the Beautification Commission. The Commission is made up of residents, businesses, school and religious leaders, and the Chamber of Commerce. Our first order of business was to organize monthly volunteer litter clean-up days. These clean-ups have made a big impact on our community as well as brought many various groups together in Fairview Heights to work towards a great cause.

As the city further establishes that important goal we are setting our sights on even more projects. Currently we are creating a Business Appearance Awards program to recognize businesses and stores that make the extra effort to beautify their parts of town. Another major goal we want to pursue is purchasing and installing decorations and aesthetic improvements to the community, investments such as "Welcome to Fairview Heights" entrance monuments, planted flowers, community gardens, and street banners.

We can not carry out such an undertaking without the support of our community. We are asking for your assistance in donating for our auction, both silent and oral. We have opportunities to volunteer both during and before the auction. We have several levels of sponsorship. And of course if you would like to find out more about the Beautification Commission and becoming more involved we would love to have you join our efforts!
