To whom it may concern:

I have been the chair of the Fairview Heights Rotary Camelot Auction for the last five years. I have worked with other auctioneers in the past. The company we had worked with over booked our date and canceled on us last minute. Father Time stepped up to the plate and offered their services the minute we asked. We booked them without ever seeing them because we were in such a bind.

I tell you this history so you can better understand the type of people you would have at your event. Not only were these people willing to step in last minute, they arrived very professionally dressed, advertised our event on all their web sites and affiliated web sites. This was more coverage than we had ever had. Not only did they arrive early but they also brought an auction item to get our crowd warmed up before they started to auction off our items. They filled our auction with spotters and were willing to help where ever we felt we needed. We were able to raise over \$80,000 at this event with their help.

I was thrilled with their professionalism and willingness to help us out. I will be thrilled to have them again at this auction or any other auction I maybe involved in. If you have any questions or need more information feel free to contact me at the numbers or email below.

Most Sincerely,

Brenda K. Wagner
